# Service With A Smile!

This has been a banner year for the Fountain Hills Mayor's Youth Council. With still two months to go in the school year, the MYC is on pace to accumulate over 1000 hours of community service! Starting back in September, members of the MYC have met to plan several special events, coordinate various projects and inform other students of the number of opportunities to volunteer and help others in the community.

This year's Mayor's Youth Council is comprised of nearly 50 members, most of whom are involved in several other groups and organizations at school and in the community. Members of the MYC have worked with members of the Chamber of Commerce and the Parks and Recreation Department here in Town. However, they have also reached out to other groups that they have never worked with before. A special project for the kids in the Child Care Unit of the Maricopa Medical Center helped raise money for a new entertainment center in the unit's playroom. Another special event the MYC was involved in helped to promote the anniversary of one of the Town's most established churches. All in all this has been an unprecedented year of achievement for the MYC.

Students wishing to join the MYC next year have a lot to live up to. However, each year it seems the group has pushed itself to become more and more involved. Next year will be no exception. The youth of Fountain Hills have a lot to offer the community, and a lot to be proud of for what they have already accomplished! For those who would like to learn more about this exciting group, call Corey with Parks and Recreation at 816-5170.

# ***MYC Update***

Congratulations to March's MYC member of the month, Glen Franklin! This was his first win of the member of the month award. The Concerts in the Park gave the Youth Council many volunteer opportunities during March. The Council assisted Parks and Recreation at the Kid's Zone, helping children to make fun crafts such as bunny masks and Easter baskets. The kids could also color or decorate eggs. The Mayors Youth Council meetings were held on Wednesday, March 6 and Wednesday, March 27th. One idea that's in development is for the incoming freshman class. In addition to their freshman orientation they would get a walkthrough of the high school by current high school students. If you would like to know more about the Youth Council's activities or check out one of meetings, you can contact Corey Hromek at 816-5170. We meet at 2:30 in the Lecture Hall of the Fountain Hills High School. We hope to see you there!
